

Old Castillo Terracotta

Old Castillo Terracotta pavers are reproductions of centuries old European terracotta. The terracotta has the same handmade texture and variation of warm color yet it is more consistent in size, thickness and strength. Created from two different clay colors, the color can be enhanced with 10 stain color options, as well as wax (wax can only be used in interior applications), matte sealer or gloss sealer. Stocked FOB Los Angeles warehouse. **Sizes are approximate. Terracotta is natural clay, so please expect beautiful color variation.**
